

Brady's Voice / Data Comm Labeling Solution

1. Label Printers (page 312)

Brady portable label printers are essential tools for technicians in the voice and datacomm industry. These printers are easy to use, have a wide range of available label materials and built in apps for creating wire and cable labels onsite and on-demand.

NEW: BMP®61 Label Printer (page 334)

Brady's newest portable label printer was specifically designed for quick and efficient identification of wires, cables and component. This rugged printer supports hundreds of label materials and prints on a range of die-cut and continuous materials up to 2" wide.

Compare all voice & datacomm portable printers on page 312.

2. Label Materials (page 312)

Brady label materials are made to withstand industrial environments and are available in a variety of sizes, colors and material types.

Not only can you make standard safety and component labels, but also specialty labels for voice and datacom applications such as wire wraps, self-laminating vinyl labels, heat shrink wire marking sleeves, cable tags, panel component labels, terminal block labels and more!

3. Software

Brady Workstation Wire ID Suite (page 448)

For creating wire and cable labels, the Brady Workstation Wire Identification Suite includes the right mix of Brady Workstation apps. It allows you to easily create single line labels, labels with wrapping text, and the serialization and importing of data without having to worry about alignment. If you are labeling or wrapping wires and cables, this is the suite for you!

Suite includes the following apps:

- Advanced Import
- Excel Import
- Advanced Sequence
- Flip Flop
- Manage Files
- Print Partner
- Sequence
- Template Editor
- Text Labels
- Label Settings

NetDoc® Cable Management Software (page 453)

NetDoc® Cable Management Software allows you to easily document your cable infrastructure so you know what cables you have, where they are located and what they are connected to. A Microsoft Excel import tool speeds data transfer into the software improving efficiency and reducing manual data entry. User friendly input features drastically reduce data entry time.

U.S. Patent No. 7,999,836; 8,328,442; 8,333,524.

BMP®71 LABEL PRINTER

**Thousands Of Applications.
Hundreds Of Labels.
One Label Printer.**

The most versatile portable printer in our offering. Painless setup, robust label offering and intuitive interface come together in our top-of-the-line portable printer.

Text and Print Options:

- 100's Of Symbols
- Underline
- Reverse Print
- Italics/Bold
- Subscripts
- Serialization
- Auto Font Size
- Vertical Printing
- Barcodes
- And more!
- Time/Date Stamps

BMP®71 Printer Specifications

Print Speed	1.5"/sec
Print & Color Capabilities	Thermal Transfer / Monochrome
Print Resolution	300 dpi
PC Compatibility or Stand Alone	Stand alone & PC connect
Connectivity	USB Port B
Software Compatibility	LabelMark™ Software, Brady Workstation Apps
Power Supply Options	NiMH battery, AC adapter
Standard Warranty	2 years
Dimensions	9.5" W x 13.0" H x 4.6" D
Weight	4.9 lbs (w/o tape, batteries)
Print Features	
Screen Size	LCD, Color, 3.5" QVGA
Back Lit Screen	Yes
Keyboard Style	QWERTY, Number Keypad
Max Print Width	1.92"
Font Types Avail.	(2) Brady Alpine and Brady Fixed Width
Font Sizes (pts)	4 thru 174, autosizing
Multi-Line Label Capabilities	25
Label Print Rotation	Yes
Data Serialization	Yes, multiple and linked
Barcode Capabilities & Types	Code 39, Code 128 and more using Brady Workstation
Memory Capacity	200 MB
Data Transfer from PC to Printer	Yes
Print Preview	Yes
Symbols Available	500+
Label Supply Characteristics	
Label/Ribbon Supply	Separate Label Roll and Ribbon Cartridges
Material Formats Supported	Continuous, Die Cut Labels & Custom
Media Width	0.235" to 2.00"
Types of Materials	Outdoor Vinyl, Nylon Cloth Wire ID, Heat Shrink Wire ID, Self-Laminating Wire ID, Removable Cloth Wire ID, Tedlar Wire ID, Datacomm Cable Tags (3), Standard Polyester (4), Aggressive Adhesive Polyester (2), Metallized Polyester (3), Non-Adhesive Tag, Polyimide/Electronics materials (6), Tamper Resistant Materials (6), Outdoor Reflective, Glow-in-the-dark, ToughStripe Floor Tape, Toughwash (2), Repositionable Vinyl, Raised Panel Labels (engraved plate alternative)
Quantity of Label Parts Available	300+ label parts, and customs
Cartridge Series	M71 series, BM71, MBulk, PTL series with adapter and some BMP61 labels with adapter (TLS and BMP61 ribbons not compatible)

The one way to faster, easier label printing.
