

Product Features & Technologies

Eaton is the source for superior quality lighting products in all markets, bringing creativity, insight, and knowledge together to provide the best and the brightest lighting solutions. Below you will find descriptions that detail some of the features and technology icons listed throughout this book.

For more information, contact your representative or visit eaton.com/lighting

RoHS

All products in this catalog are RoHS Compliant. This Restriction of Hazardous Substances directive ensures there is no use of specific hazardous materials found in electrical and electronic products.

Warranty

All products in this catalog are covered by a standard 5-year limited warranty (exceptions noted by product). Warranty details can be found on Eaton.com.

cULus® Listed

All products listed in this catalog have been evaluated, tested, and listed by Underwriters Laboratories for product safety certification in US and Canada.

IP66 Rated

The products with this notation are tested to be water resistant and also protected against dust, dirt, sand, and debris all while maintaining long luminaire life.

DLC

These families have SKUs that are DesignLights Consortium™ Qualified. Refer to www.designlights.org Qualified Products List under Family Models for details.

DLC Premium

These families have SKUs that are DesignLights Consortium™ Premium Qualified. Refer to www.designlights.org Qualified Products List under Family Models for details.

Solar Powered

These solar powered luminaires provide a level of safety and security in applications where line voltage is not available. With easy installation and included solar panel, all you need is sunlight.
